

# SEEKING FARMERS APPLY NOW!

Cherokee Nation Public Health is now seeking farmers to become a vendor for the new Cherokee Nation WIC Farmers Market Program.

**Farmers must be located either inside the Cherokee Nation Reservation or within 80 miles of its perimeter to qualify.**

**If chosen as a contracted vendor:** farmers will redeem benefits for participants of the Cherokee Nation WIC Farmers Market Program and ensure the produce offered is locally grown. Farmers must complete an application and be approved to become a vendor to redeem benefits. Cherokee Nation WIC is an equal opportunity provider.
